

To: The Honorable Mayor and City Council

From: Maxine Calloway, Esq., ACP, Director of Community Planning & Development

Date: July 9, 2013

RESOLUTION OF THE MAYOR AND CITY COUNCIL OF THE CITY OF NORTH MIAMI, FLORIDA, AUTHORIZING THE CITY ADMINISTRATION TO COLLECT DATA, PREPARE A FORMAL APPLICATION FOR SUBMISSION TO MIAMI-DADE COUNTY AND OBTAIN THE REQUIRED PETITIONS TO ANNEX INTO THE CITY OF NORTH MIAMI, AN AREA KNOWN AS THE 'BREEZESWEPT ANNEXATION AREA', BORDERED ON THE NORTH-SIDE BY NORTHEAST 135TH STREET, ON THE EAST-SIDE BY NORTH MIAMI AVENUE (INCLUDING TWO UNINCORPORATED LOTS ON THE NORTHEAST CORNER OF NORTHEAST 131ST STREET AND NORTH MIAMI AVENUE), ON THE SOUTH-SIDE BY NORTHEAST 127TH TERRACE, AND ON THE WEST-SIDE BY NORTHWEST 2ND AVENUE; PROVIDING FOR AN EFFECTIVE DATE AND ALL OTHER PURPOSES.

RECOMMENDATION

That the Mayor and Council approve the Resolution directing staff to prepare the necessary annexation application and to expend the resources required to annex the area known as the Breezeswept Annexation Area, bordered on the north-side by Northeast 135th Street, on the east-side by North Miami Avenue (including two unincorporated lots on the Northeast corner of Northeast 131st Street and North Miami Avenue), on the south-side by Northeast 127th Terrace, and on the west-side by Northwest 2nd Avenue in accordance with the Boundary Change Procedures of Article 1, Section 20-3 of the Miami Dade County Code of Ordinances.

BACKGROUND

Policy 8.1.7 of the City's Comprehensive Plan encourages the City to actively pursue development and growth management opportunities through several mechanisms including but not limited to exploring annexations where necessary. The Miami Dade County Code establishes the procedure by which a governing body of municipality may initiate a boundary change to the municipality's existing boundary.

Miami Dade County has established an overall plan which includes the eventual incorporation of all currently unincorporated land areas within the County, which would relieve the County from the costs of providing services to the subject area. In addition, annexation of the subject area would simultaneously increase the City's tax base.

The subject area is comprised of a total of **73.17** acres which includes over **74% residential use (a total of 185 residential units)** and **26% non residential use**. **The subject area is also bordered by the City of North Miami's on three (3) sides.** In accordance with Section 20-3, Article 1 of the Miami Dade County Code of Ordinances, in initiating a boundary change, the City would be required to submit, certified copies of a resolution along with the required signatures on a petition, requesting the proposed change, a complete report which can include, but is not limited to, information on the proposed zoning and land use in the area; a list of services; timetable for supplying the services; financing of services; tax load on the area; and assessment of the present and future importance to the economy; **Since it is determined that the subject area currently has more than two hundred and fifty(250) resident electors (with over 455 registered voters), then petitions from 25%+1 of the total number of registered voters (or 115 petitions) is required.** Additionally, since the area is more than fifty (50) percent developed residential, a vote of a majority of the resident electors will be required to approve any boundary change.

CONCLUSION

Staff is of the opinion that the proposed annexation is in keeping with the goals, objectives and policies of the City's Comprehensive plan in that it alleviates the irregularity on the City's northern boundary and provides a more seamless transition in the delivery of municipal services through an established single family neighborhood. The proposed annexation would also help to enhance the City's fiscal and economic base, a critical objective for a City approaching build out with little vacant developable land remaining. With the Miami-Dade government center being located 20 miles away and the City of North Miami's City Hall located less than 3 miles away, the City believes it is more practical to annex the subject area within its boundary. The future residents in turn will have readily available access to North Miami's quality services.

City Administration would therefore require the authorization of the Mayor and Council to proceed with expending the resources to compile an annexation report, collect the necessary

signatures with notification mailed to property owners within 600 feet of the subject area prior to the adoption of the required resolution supporting a formal application to the County.
